

off, as has been said, if God cuts the head off the wings will be weakened."

Even though these politics are clear in the minds of our leader brothers, it is very important to remind all of our brothers about it with a note to the new generation, who joined the jihad road and were not advised about this issue. Thus, they conduct separate operations rather than concentrating on the main objective as we heard in the news about operations in Ma'rib and 'Ataq against the government forces. I hope these operations were important for the mujahidin's self-defense only.

I provide an example to clarify al-Qaida's general political policy in concentrating on America, which means that the enemies of the Ummah, for example, is a malicious tree with a huge trunk of 50 cm around and has many different sizes of branches, including the countries of NATO and other regimes in the regions. We want to cut this tree at the root. The problem is that our strength is limited, so our best way to cut the tree is to concentrate on sawing the trunk of the tree. We need to concentrate on cutting around 30 cm in the bottom of America's leg (trunk). Even though we have the chance to attack the British, we should not waste our effort to do so but concentrate on defeating America, which will lead to defeating the others, God willing.

Here is an example for you, the mujahidin were able to cut the root of the Russian tree, and after that, all the branches fell one after the other, ...

...from the south of Yemen to Eastern Europe, without spending any effort on these branches at that time. Therefore, any arrow and mine we have should be directed against Americans, disregarding all other enemies, including NATO, and concentrating on Americans only.

For example, if we were on the road between Qandahar and Helmand and army vehicles of Afghanis, NATO, and Americans drove by, we should choose to ambush the American army vehicles, even though the American army vehicles have the least amount of soldiers. The only time you are allowed to attack the other army vehicles is if those army vehicles are going to attack our brothers. In other words, any work to directly defend the mujahidin group
