

Kinshasa text: EU proposal (8 July 2011)

1. Plenary endorses exports of production from the compliant mining operations of Marage Resources and Mbada with immediate effect.
2. Exports may take place from other mining operations in the Marange diamond fields following KP Monitoring Team's verification of compliance.
3. The KP monitoring team will verify compliance of exports from ~~such other producing mines (excluding Marage Resources and Mbada)~~ including full access to mining sites and verification of post shipment mine level data on an ongoing basis. This ongoing verification will continue until Plenary 2011 the Marange region as a whole is assessed as compliant with KP minimum requirements.
4. Plenary endorses the nomination of a KP monitoring team consisting of Abbey Chikane and Mark ~~vanV. Bockstael~~. In case of a lack of agreement between the members of the KP monitoring team, the Chair of the KP will resolve the matter will be referred to the WGM for recommendation to the KP Chair.
5. Zimbabwe commits to uphold the KPCS minimum requirements ~~and guarantees the participation of local civil society in KPCS matters.~~ Zimbabwe will report to Plenary 2011 on actions undertaken to bring the whole Marange area into compliance with KP minimum requirements (eg regarding artisanal mining, identification of investors, fight against illicit digging and smuggling).
6. The civil society KP Local Focal Point will have free and unhindered access to the Marange area so as to allow continued reporting on KPCS implementation until the area is assessed as compliant.
