

GEORGE BUSH GOES GREEN AS HE IS WANTING LESS PETROL TO BE USED IN THE USA. THE PRESIDENT IS ASKING FOR AMERICANS TO GO GREEN AND USE LESS PETROL.

IN HIS BIG YEARLY SPEECH, THE PRESIDENT TOLD PEOPLE HE WANTED THEM TO USE MORE ENVIRONMENTALLY-FRIENDLY FUELS OVER THE NEXT 10 YEARS.

GREENHOUSE GASES ARE MADE OUT OF

- *WATER VAPOUR**
- *CARBON DIOXIDE**
- *METHANE**
- *NITROUS OXIDE**
- *OZONE**
- *CHLOROFLUOROCARBONS**

THEY ARE ALL NATURAL GASES BUT EXTRA GREENHOUSE GASES CAN BE MADE BY HUMANS FROM POLLUTION.

THE UNITED STATES IS ONE OF THE BIGGEST POLLUTERS IN THE WORLD.
