

## **RESPONSES FROM** **CHICAGO TOWN FROZEN PIZZAS UK**

### **1. How much palm oil do you use in your products?**

Currently palm oil constitutes less than 3% of the total raw materials used in the production of our Chicago Town frozen pizza portfolio in the UK

### **2. How much of that volume is from a sustainable source?**

Currently none that we are aware of, however the sustainability of future sources is high on our agenda as part of a wider company initiative regarding the continuity of supply and volume of raw materials.

### **3. Who do you source your palm oil from?**

Unfortunately it is company policy to not discuss or disclose details of our suppliers.

### **4. Do you source your palm oil via a middle trader or directly from Palm Oil companies? If you source it through a middle trader, do you know which palm oil companies supply them?**

See Above

***5. To avoid any confusion, question 5 has not been reproduced here because it contained references to some specific organisations not referenced in Panorama: Dying for a Biscuit.***

### **6. What are your plans with regard to the use of sustainable palm oil?**

Sustainable palm oil is on the agenda for us in collaboration with our suppliers. Our next meeting is scheduled inside the next four weeks where we will discuss.

**a. Have you set a deadline for when your products will contain only sustainable palm oil?** No deadlines have been set but again this is high on our agenda

**b. Have you bought any green palm certificates? If so, when did you buy them and how many?** Not as a business

**c. Are you a member of the RSPO?** Not directly as a business, although our supplier is a founder member of RSPO.

**d. When was the last time you updated the RSPO about your actions?** Not directly.

### **7. Do your products that contain palm oil state that on the label? If not, why not?**

Palm oil is listed as vegetable oil on pack. From time to time we use other oils in manufacture and this avoids unnecessary packaging changes.

### **8. Which of your products contain palm oil or palm kernel oil?**

All Chicago Town Pizzas currently contain palm oil

**9. We understand that the following products contain palm oil or palm kernel oil. If this is not the case please can you clearly state NO next to the product listed.**
